

Bio: Cindy Greatrex

Thank you for enabling me to submit a biography.

I have resided in La Jolla since 2008 and work as an Associate Medical Officer. My volunteer interests in land use started in 1999 when I was appointed Commissioner of Deeds in my hometown of NYC. Since then I have Chaired one Land Use Advisory Board, one Zoning Board of Appeals, one Community Planning Group and one Town Council. My ongoing interest in land use is focused on thoughtful development that maintains community character and enhances quality of life.

Thank you for your support,

Cindy Greatrex
