### **My biography**

I am interested in joining the LJCPA Board of Trustees. This my Biography to be considered. I was born and grew up in Los Angeles. I attended UCLA graduating in 1965 with a degree in Environmental Design. I was employed by a LA design firm for 7 years. I started my own Design Firm in Pasadena in 1971 ,specializing in Traditional interiors and architecture. In the ensuing years I bought and restored several historic homes. A Reginald Johnson Spanish Colonial circa 1919, and 2 Craftsman residences, 1904 and 1907. We moved to La Jolla in 2013. I served one year with the preservation committee of the Historical Society, and one year with the RSVP of the SD Police Department. My Wife and I bought a 1965 fixer, added a 2nd. Story without changing the original structure. We have Three Children and Five Grandchildren, all of whom live in San Diego. I feel confident that my experiences qualify me to be of use to the LJCPA.

Sincerely,

John Fremdling
