

Candidate Statement for Kathleen Neil:

La Jolla is my home and I love it. I have worked and lived in La Jolla with my family since 1991. I walk around La Jolla nearly every day and enjoy the trails around Mt. Soledad, the coast's beaches and walkways, the stores, and restaurants. I fondly recall walking and biking with my son to the La Jolla Rec Center to play when he was a small child. When my son began school here, and I had more time, I started attending La Jolla CPA meetings, which was about the mid-1990s. I have attended regularly since then. Like many of the current trustees, I believe individuals have a responsibility to their communities as well as to their families and I strongly believe in volunteerism and community involvement. If I am chosen, I will focus on adding my efforts to keeping La Jolla a wonderful and vibrant community.
