

## **BOB STECK BRIEF BIO**

**I moved to La Jolla 10 years ago from St. Louis, MO. My background is in the business field, with 26 years of experience at Anheuser-Busch and 7 in the financial services industry.**

**I have previously served 6 years as a trustee on the LJCPA, and termed out in 2019. I truly enjoyed serving the community on this board, and would like to do so again.**

**My philosophy is that the LJCPA must continue to strictly adhere to the rules set forth in the LJ Community Plan. One area of opportunity is to implement a process of following projects once they leave the LJCPA in order to make sure the plans are properly executed.**
