

13.0 Recommendations to CPPT Bry on ideas for CIP budget priorities proposed in December, 2019. Item 9 added.

1. Safety of the walk south end of the Marine Room restaurant – Fund Handrail to supplement repair of pavement. (On LSA List)
2. Black’s Beach Overlook fence replacement (no permit, no gate, fence at 6 ft. not 42”; blocks view)
3. ~~Belvedere viewing dip at Prospect and Girard – LJCPA approved concept and design~~
(Adopted by MAD & Enhance La Jolla. Reaffirm Community support for project)
4. Repair ocean access areas at Camino de la Costa (handrails, steps)
(Recently added to P & B list)
5. Repair ocean access areas at Marine Street (steps) (On P & B list)
6. Repair dip in road at Forward Street & LJB (road sinking on east side) (Also on BRCC List)
7. Rehab Coast Walk Bridge; repair temporary patch to hole in Coast Walk
7. Update Speed Limit signs on La Jolla Parkway off the 52. (signs not synced) (completed)
8. Install streetlights at Coast Walk and TPR – existing base – light now blocked by protective barrier (Still an issue?) (completed)
9. Coast Walk Safety Issue (added during meeting). (In progress)

~~13.1 Add NEW: Fund environmental Review for Coast Walk turnaround passed by LJCPA on May 16th 2016 [T&T Motion to remove two parking spaces on the Coast Walk bluff and replace them with a turnaround conditional on the ability to relocate those two spaces on the inland side of the street; ratified by the LJCPA; reported as geotechnically feasible by Gary Pence December 14, 2017] 12.1 only is Action item~~

~~Motion: Add item 9 (Coast Walk) to list (Kane/Brady)~~

8. Repave Neptune with concrete; re-allocate ROW
(T & T project w/ Beach Barber Neighborhood Association; added to P & B list)
 - Widen sidewalk
 - Add bike lane
9. Rehabilitate Children’s Pool Seawall & Beach Access Stair/Retaining Wall
10. Conduct traffic study at Throat (on T & T list)
11. Construct Traffic Calming & Streetscape Enhancement on Prospect in front of Rec. Center
 - Landscape and Street tree plan and implementation;
 - Roundabouts in key intersections;
 - Bulbouts at intersections;
 - Decorative sidewalks and curb and gutter (Scripps/Kate Sessions pink with historic patterning);
 - Diagonal parking with planting bulb-outs at key locations;
 - Mid-block crossings;
 - Entry/signage;
 - Street lighting;
