RE: Kolmar Street Belvedere Reconstruction

Melinda and Jim :

Thank you for the initiative by the Friends of Windansea to reconstruct the Kolmar Street Belvedere. The belvederes have long been a cultural landscape feature of La Jolla's coastline, and a welcome retreat for residents and visitors alike. They appear in photographs of La Jolla's earliest developments and into the present day—and thanks to your efforts, will serve future beachgoers, sightseers, and surfers.

We applaud your work to restore one of these iconic structures, and lend our support to the effort. The Society greatly appreciates and encourages this reconstruction, and congratulates you on the provisioning of resources for the work and the research undertaken on the design.

Sincerely,
