

**Claude-Anthony “C.A.” Marengo**

I am a local resident since 1965 and I currently live in Windansea. I’m very fortunate to work in the village of La Jolla. I am a landlord of retail and residential properties. I work to help people through the process at the City as a facilitator to understand building code and City process. My previous experience includes CPA president, Town Council treasurer, La Jolla Village Merchants Association president, Community Planners Committee vice president and a member of multiple City committees.

I enjoy working to find solutions and love the La Jolla lifestyle I have grown up in. If elected, I will work hard to support our community for all who live and work here.

Thank you,

*Claude-Anthony “C.A.” Marengo*
