Subject: Belvedere hut

We are sending our opinion on the Belvedere proposal at Windnsea beach. My wife and I, as well as all friends are against this proposed project. It simply doesn't fit. It would attract homeless, litter and sleepovers We would prefer any money be spent on improving the bad oceanfront street and the view blocking wood fences.

We have lived in La Jolla for 40 years and care about our natural beach areas.

Please consider our opinion, as we walk and live in this area.
