I oppose the Belvedere Gazebo project at Windandsea. Please stop the construction!!!!!! I have been a resident of La Jolla for the past 35 years and appreciate the unfettered view along the road bordering Windansea Beach. Cluttering that view with an unnecessary structure is ridiculous. The view is pristine. Please, please please do not ruin it based on a few people's nostalgic memories of their family members. That "history" is no longer relevant to this neighborhood or to the citizens who live in close proximity to the beach.

Sincerely,

Stacey Haerr
