Dear LJCPA trustees,

my name is Andreas Rau and I am a property owner at 6515 Neptune Pl, Winandsea Beach. I invested in a new construction residential single family home being built currently at this address.

I am downcast you are taking into consideration the approval of a permit to build on the sensitive ocean bluff of Winansea beach. A gazebo would impede the ocean vistas that are protected within your La Jolla Community Plan, City of San Diego Municipal Codes and the Coastal Commission.

**Please vote NO to approve the permit.** It will only enhance bad behavior at night within the Gazebo, cleaning and maintenace of Gazebo will be a logistically difficulty for the City of San Diego and due to health reason this is not good.

Respectfully

Andreas Rau
