Subject: Belvedere Gazebo Project

To: <info@lajolla.org>

I oppose the Belvedere Gazebo project at windansea Beach. Please stop this construction. It will bring homeless people and parties onto our beach at night. The beach is already eroding away and cannot support another structure on the bluff edge. Fix the streets instead and add speed bumps to Camino De La Costa. It is a dangerous street with multiple car accidents each year.

Thank you,

Melinda Shough
