Re: Code Enforcement Case# 0510672 and Citation #74316

Dear Ms. Lowe,

The La Jolla Community Planning Association (LJ CPA) supports the request to revoke a Building Permit that was issued for a remodel and addition with guest quarters at 1395 West Muirlands Drive in the community of La Jolla.

By continuing construction without permits, inspections, or community reviews, the Owner/Developer Israel Dahan has violated numerous Citations and Stop Work Orders issued over the past several months. LJ CPA also supports the request that Pool/Spa Permits and any other associated permits be revoked for this property.

Strong and timely actions are of utmost importance to correct safety hazards and to discourage rogue behavior. The LJ CPA therefore urges permit revocations as soon as possible. Furthermore, decisive responses uphold respect for the SDMC and the rule of law, as well as sustain community trust that regulatory standards and processes will be upheld.

Sincerely,

Diane Kane, President
La Jolla Community Planning Association
