3/9/2021 COMMITTEE DELIBERATION

- Will – Differentiating Materials? (applicant: House has barrel tiles, only proposed tile will be flat tile in similar color. Stucco texture will differentiate.)
- Kane – How high is wall on alley? (app: 7' for wall, 13' to parapet, only 8' ceilings but high raised floor level) Single pane windows make it look contemporary. (HRB requested differentiation) I think HRB should allow mullions. Beautiful house. I'd be happy to speak to HRB.
- Leira – Looks like Baroque piece next to Spanish Revival. Recommend removing detail lines at roof line. Let simple wall continue up to parapet.
- Will – Could Historical society write letter to allow mullions. This group can make a recommendation to staff.
- Fremdling – Why does addition have to be so different? More things need to match.

3/9/2021 ADDITIONAL REQUESTS

- Consider upper part of wall without horizontal detail at top.
- Consider mullions on windows.
- Diane Kane to request HRB to allow without lines and with Mullions.
