Seven trustees, 5 new and 2 re-elected, were seated in April 2020. The LJCPA had 18 Trustees through September when one resigned. Elections will be held in March 2021 for six seats to bring the total to 18. As of February 2021, we had 91 members. New members joined the group during the year, but many members from the prior year let their membership lapse probably due to not having in person meetings due to Covid.

The LJCPA held 12 regular meetings and one special meeting during the period beginning on April 2, 2020 by teleconference as recommended by the City of San Diego using the online platform Zoom. All meetings were attended by 50 or more persons and ran smoothly thanks to the expert technical assistance of our 1st Vice President. State and local government officials attended the meetings and provided valuable information about the Covid emergency measures to the community.

In addition to the success of the Zoom meetings the LJCPA Website has expanded to provide to the public online all data and information including project plans and extensive materials from project applicants, letters and comments for each item on the agenda. It is also a valuable resource for the community with information on project reviews, land use regulations and community government. It includes all meeting agendas, meeting minutes and administrative information about the organization and the sub-committees, past and present.

The LJCPA submitted suggestions to the 2020 LDC Code Update process and is continuing in the 2021 Update process with suggestions for the SDMC to clarify and strengthen the code and to streamline project review. LJCPA suggestion regarding calculation of carports for gross floor area was included in the final Code Update for 2020. An ad hoc committee was formed to review the La Jolla Shores Planned District Ordinance and the LJCPA has submitted their suggestions to the 2021 Code Update process. A La Jolla Planned District Ordinance ad hoc committee is reviewing the La Jolla PDO with the goal of submitting update suggestions in 2021.

The Planning Group also has spent considerable time reviewing the Complete Communities, Transportation and Parks Master plan providing valuable input to our City Council Member about how these plans affect La Jolla and how they can be implemented in La Jolla. Also important information about these plans has been disseminated to the community during the

meetings. LJCPA worked with La Jolla Parks & Beaches, Bird Rock Community Council, La Jolla Shores Association, and La Jolla Town Council to study and develop responses to Complete Communities and Parks Master Plan. The La Jolla Traffic & Transportation committee meetings provides a forum for community members to discuss the many problems with traffic in La Jolla. They are working with City staff for a Comprehensive Traffic Study at the Throat.

Project review is a major focus of the LJCPA. During this year the group and their sub-committees reviewed 48 projects. A snapshot of typical project reviews:

669736 – 220-240 Coast Blvd CDP

LA JOLLA (Process 3) Coastal Development Permit for an exterior remodel to an existing 3-story residential condo at 220-240 Coast Blvd. The project includes replacing windows, adding new balconies, reconstructing roofs, and new fencing. The 0.76-acre site is in the First Public Roadway, the La Jolla Planned District Zone 5, the Coastal (Appealable Area) Overlay Zone, and the Potential Sensitive Vegetation and Sensitive Coastal Overlay Zone within the La Jolla Community Plan area, and CD 1. Approved unanimously at Development Review Committee and on Consent at Regular LJCPA meeting. It was also reviewed and approved by the La Jolla Planned District Ordinance committee

Request for Valet Parking Zone at Marine Medical Building 7300 Girard Ave (Cont'd) Convert three parking spaces for weekday valet operation - Action Item

Motion to recommend approval of a Valet Parking Zone in front of the Marine Medical Building at 7300 Girard Avenue, to operate between the hours of 8am and 5pm, Monday through Friday: Approved at Traffic & Transportation Committee and approved on Consent at LJCPA Regular meeting.

See the listing of all discretionary building projects reviewed by the LJCPA following this report.
