These may be *de novo* considerations. Actions by committees are listed for information only. Written comments can be submitted via the Materials & Comments page, link above. In general, applicants for each project have 10-15 minutes to present, an individual representing organized opponents (if there are such) has 10 minutes to respond, and members of the public have 15 minutes for 2-minute comments not already covered in presentations. Trustees then discuss the project for 20 minutes, at which point the President may call for motions and vote.

5.1. **Cuvier St Vacation (679621, Williams) ACTION**

(Process 5) Cuvier Street right-of-way vacation, CDP, and lot-line adjustment located south of Prospect Street, next to the La Jolla Recreational Center (615 Prospect) and The Bishop's School. The site is located in the LJPD-6 and OP-1-1 Zones, and Coastal (Non-appealable-2) Overlay zone within the La Jolla Community Plan and CD 1.

- DPR 5/11/21: findings **CAN** be made, 5-0-2

- PDO 4/21/21: **APPROVE**, 10-0-0

5.2. **Roundabout by "The Cross" (Issakov) ACTION**

The impetus for a roundabout at the entrance to the Veterans Memorial Park at the top of Via Capri is the danger and difficulty of turning left from Via Capri to the cross, or to leave the cross to continue straight on LJ Scenic Dr S, at busy traffic times. This can cause backups too. City staff commented that that location is a good candidate for a roundabout and added it to the unfunded needs list.

- T&T 5/19/21: **APPROVE**, 9-0-0

**6. City/State/UCSD Project Reviews (action items as noted)**

6.1. **Coast Blvd Cave (659359, Arnhart) ACTION**

and cave opening to the north below Coast Boulevard, adjacent to 1210 Coast Blvd. Coastal (Appealable & Non-Appealable) Overlay Zone; Council District 1.

- **After the fact (ATF) approval of SDP for emergency project, *de novo* review**

## 7. Policy Discussions, Reviews, & Recommendations (action items as noted)

### 7.1. Code Compliance (Kane) ACTION

There are several additional cases of intentional skirting of DSD permitting requirements and permit conditions in La Jolla beyond those already mentioned in meetings and letters to Trustees. Community members, their representatives and the LJ CPA are clearly having no effect one project at a time. However, a pattern of egregious behavior is harder to ignore. The CPA Trustees will determine how to proceed. Options include informing both City Council and the Mayor about DSD's inadequacies and petitioning for more Code Compliance resources, changes in administrative processes, codes, etc.

### 7.2. State Housing Legislation (Kane) ACTION

SB 9 & 10 and proposed moratorium of 2020 SD ordinance enacting ADUs.
