

**“INDIAN WEDDING BARAAT
(PROCESSION)”**

Shireen Saxena & Jefferson Cuadra

Detailed description

This event will be part of a cultural (Indian) wedding ceremony, which will be celebrated at **La Valencia Hotel in La Jolla.**

The event consists of a groom's procession into the wedding ceremony. The procession signifies an age-old tradition of the groom who would travel an average of five to seven days to his bride to be home.

Detailed description

Our event (*Baraat*) will be condensed to ***less than one hour*** of dancing and celebration of the groom's family. Another aspect of the event is how the groom will arrive. To keep the tradition alive, we've decided that the groom will arrive **by horse**. (All waste management guidelines will be implemented and followed.)

The trajectory of the procession will start at the intersection of **Coast Blvd. and Girard Ave.** and will end at the main entrance of **La Valencia Hotel** (on Prospect St),

Our plan has been reviewed and approved by the San Diego PD.

We are proposing to close both lanes on Girard Ave and the west traffic lane on Prospect St. This will require detouring any incoming traffic to these lanes.

This plan will require 7 SDPD special event traffic controllers (SETCs) and a supervisor.
