### Non-Agenda Public Comment

[Items not on the agenda 1 minute or less. No votes or action]

**Bob Evans (President, La Jolla Parks & Beaches)** - asked LJCPA to support a [LJP&B letter of opposition](#) to the City's plan for year-round closure of Point La Jolla.

### Consent Agenda

**President Harry Bubbins:** The LJCPA Bylaws allow members of the public to pull items off the consent agenda. The bylaws do not state that this can be done by email from another State or Country. Since last month we have implemented a policy that pulling items from the Consent Agenda should be done in person with a reason for pulling, so the applicant can address those concerns.

#### 5. Consolidate, Accept, & Adopt Committee Judgments **Action**

Committee/Board recommendations to which no Trustee objects. Consent items are voted together, without presentation or debate. Upon approval the Committee/Board recommendations become LJCPA's. Anyone present at today's meeting may "pull" Consent items from the agenda for full discussion and vote at a subsequent meeting. When "pulling" an item, please state your name and reason for pulling the project.

##### 5.1. **Concerts by the Sea/Scripps Park**

## Officer Reports (Action as noted)

### Presidents Report: [Harry Bubbins]

Attended Community Planning Group meeting where City presented on how planning groups can comply with new CPG regulations, LJCPA will be working on this in the new future.

- Meeting attendance requirements to run for the LJCPA Board are eliminated.
- Board membership must reflect the makeup of the community and should include homeowners, renters, individuals with and without school age children and individuals from diverse age groups. Community groups must re-file to retain their right to represent the planning area within the city. Meeting community representation and outreach goals are key measures the City will use to determine if a group should represent a planned area and competing groups can file. The City Council will make the final determination and the new rules will take effect on January 1st, 2024.

Trustees will be working on the application process in the near future and have it completed well before the end of the year.

## Reports from Standing, Ad Hoc and other Committees (information only)

### Non-Agenda Trustee Comment (information only)

Opportunity for Trustees to comment on matters not on the agenda, 2 minutes or less. No votes or action unless properly noticed at least 72 hours in advance.

**Tom Brady** - the City will ask the Planning Commission at its next meeting to approve SB10, believing we should oppose.

**Joe Terry** -The Development Services Department has noted that it needs more information before it can make a recommendation to the Planning Commission on the proposed Adelante Townhomes development. Among other things, that information includes: 1) written findings from the applicant to demonstrate how each building standard for which a waiver is requested would physically preclude the construction of this development and 2) assurance from the San Diego Housing Commission that the development would actually include a for-sale, affordable dwelling unit for a very low income household. In the absence of the former, the development would not qualify for the requested waivers and, in the absence of the latter, the development would not qualify for the requested density bonus, incentives and waivers that the development requires to comply with the La Jolla Planned District and other parts of the SDMC. Unfortunately and unlike the PDO, the DPR and CPA did not think they needed that information before making their recommendations to the City.

**Patrick Ahern** - Announced a potential solution is coming for public safety issues created by barricades and fencing around failed stormdrain, bluff and sidewalk on Neptune Place, Windansea. A LJP&B working group has been formed to address these issues. More to come....

**Ray Weiss** - questioned new diversity requirements for community groups and how LJCPA will address this.

**Harry Bubbins** - the existing LJCPA Board would re-apply and the census data will factor into the City's evaluation.

**Dan Courtney** - spoke about accessibility and state of La Jolla sidewalks. City has to spend some money, perhaps this is something we can address

**Brian Williams** - LCPA should do its best to find members of more diverse backgrounds. Possible infrastructure projects - Weeds along medians of Mount La Jolla and Soledad Mountain Road are almost 7 feet high and are primary entrances into La Jolla.

**Zuzana Hostomska** - I was a part of the LJCPA election committee to identify new trustees, I hate to tell you there wasn't diversity, the interest in the community is very clearly what you see around here, you need knowledge, you need time, you need experience and we struggled tremendously, we tried our best and the result is be very grateful that some old trustees were willing to join again.
