In Mr. Will's absence Jackson acted as chair.

Item 1, Orli Hotel

Applicant had been asked to come back once City decided whether the project required a CDP. Mr Marengo reported that the City has decided the project did NOT require a CDP; therefore modification of the fence along the sidewalk is not required. There were no comments from members of the public, and no further issues raised by DPR members.

Motion: Recommend the City APPROVE the project (Leira, seconded by Williams). Motion passed 5-0-1 (acting chair abstained).

Item 2, Box Canyon.

Applicant did not attend.
