

Hi! 🙌 I'm Samuel, a student at UC San Diego and a longtime advocate for smarter, saner, and more connected urban planning. I'd be honored to have your vote to become a trustee for the La Jolla Community Planning Association.

La Jolla is such a special and important place for me and so many of my peers at UC San Diego, and I want to ensure we protect what makes La Jolla special – the small businesses, beaches, and community amenities.

A little bit more about me: at UC San Diego, I'm majoring in Computer Science and planning for a minor in Urban Studies & Planning. I serve on the staff of the UCSD Guardian newspaper, building web interactives and tools for data-driven journalism. I'm also an officer for Public Transit Enthusiasts @ UC San Diego.

If elected as a trustee, I promise to work every day towards the following goals:

- A preserved **La Jolla Village**, rich with a preserved historical legacy and identity
- More **ways to get around**, including safer and more reliable service on Route 30 and investigating new, more local transportation options for La Jolla
- Advocating for increased **community safety** and security in uncertain times

I promise to remain open and accessible to every La Jolla resident, too. If you have any questions or concerns about my candidacy, feel free to email me at [sbsharp@ucsd.edu](mailto:sbsharp@ucsd.edu). Onwards!
